General Instructions for CDP Exam 2022

1. The examinations for 1st Semester of Nextgen Banker's Post Graduate Diploma Course in Banking & Finance of Bandhan-Konnagar to be held on 12th of January, 2022 as per schedule available in the admit card.
2. Students would be allowed to appear from their convenient place. They require to go to CDP Portal i.e. <http://makautexam.net>- Go to CERTIFICATE/DIPLOMA/PG DIPLOMA COURSES. Clicking Admit Card, using the login id - Enrollment Number and login password - Application Number to download their Admit Card.

3. Access to the portal would be made available in the login of the students 15 minutes before the examinations (i.e. from 1:45 pm). Students are advised to login in advance and complete the system check & camera verification process beforehand. Once the process is completed they need to wait till the test is started as per schedule.
4. Students need to take the test using a Windows Desktop / Laptop / Android phone with a webcam & microphone and broadband / 4G speed Internet connection.
5. During the test duration the students' webcam / microphone will be used to carry out remote invigilation.
6. Students are required to take the test from a separate room with no other person present in the room during the test session.
7. The examinations would be of 50-100 questions of 1/2/3 mark each (full marks 60) and 60 mins duration as per convention.
8. Students are advised to make sure they make their own arrangements for uninterrupted power and internet connectivity.
9. Since this special arrangement of examinations are planned keeping in mind, the best interest of the students, it is highly essential that students would maintain sanctity of the examinations and remain away from any kind of malpractices during the examinations. Any incidents captured during the test duration or later revealed in the recorded video / photo will be fit ground to cancel the exams of the student.
10. For any kind of difficulty faced during the test, they must contact with the coordinators of the colleges concerned, the contact details of them would be made available by the colleges concerned before the examinations.

** Note – Each time the student wants to enter the exam site, he/she requires to generate new password.

*** Password to be generated by student both for mock test as well as for final Exam.

Step 5 : Click “Sign In”.

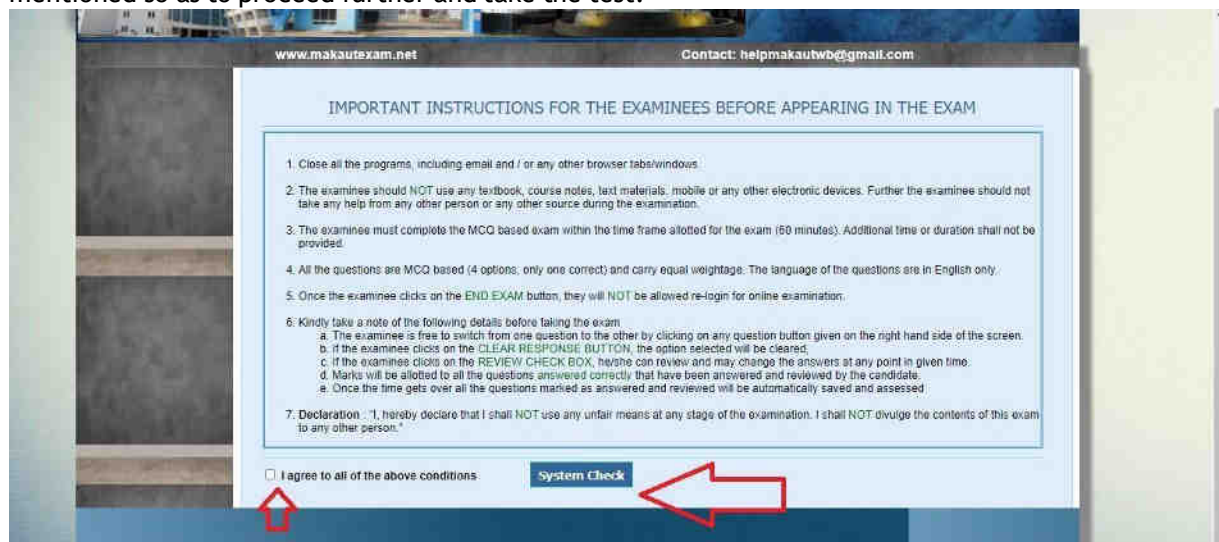

The screenshot shows the 'Online Examination' portal. At the top, there is a banner with the university name and contact information: 'Contact: helpmakautwb@gmail.com'. Below the banner, there are two main sections. On the left, a box titled 'System Requirement Guidelines for Online Examination' lists three requirements: 1. Personal Computer / Laptop with Web camera may be used with minimum 2GB RAM. 2. Good Internet Connection preferably with speed at or above 10 Mbps. 3. Suitable Chrome Version 76+, Browser Mozilla Firefox 70+, Other versions may be compatible but not tested. On the right, there is a navigation menu with two buttons: 'Get Password' and 'Sign In For Exam'. A red arrow points to the 'Sign In For Exam' button. Below these sections, there are several 'VERY IMPORTANT' notices: 'If save password from chrome browser comes remove immediately before proceeding to exam.', 'All your actions are recorded during exam.', 'Get Password link will open half an hour earlier before exam time and Sign In For Exam will open at exam time.', 'Please use your Application No and Roll No for Get Password link and Roll and Password for Exam.', and 'Please mention roll no for any query through email.'

Please note the following :

- The estimated time to finish the activities 1-5 is 5 minutes. However it should not exceed 15 minutes in any case. The activities must be completed before the actual exam begins.
- Actual examination time of 60/90 minutes will commence after you click on "Begin Exam" button. It will not be counted while you are in activities 1-9.
- The examinees are advised to be ready with their system One hour before the commencement of the final exam.

Step 6 : Now read the instructions carefully and thoroughly. You must abide by all instructions mentioned so as to proceed further and take the test.

The screenshot shows the 'IMPORTANT INSTRUCTIONS FOR THE EXAMINEES BEFORE APPEARING IN THE EXAM' page. It lists seven instructions: 1. Close all the programs, including email and / or any other browser tabs/windows. 2. The examinees should NOT use any textbook, course notes, text materials, mobile or any other electronic devices. Further the examinee should not take any help from any other person or any other source during the examination. 3. The examinee must complete the MCQ based exam within the time frame allotted for the exam (60 minutes); Additional time or duration shall not be provided. 4. All the questions are MCQ based (4 options, only one correct) and carry equal weightage. The language of the questions are in English only. 5. Once the examinee clicks on the END EXAM button, they will NOT be allowed re-login for online examination. 6. Kindly take a note of the following details before taking the exam: a. The examinee is free to switch from one question to the other by clicking on any question button given on the right hand side of the screen. b. If the examinee clicks on the CLEAR RESPONSE BUTTON, the option selected will be cleared. c. If the examinee clicks on the REVIEW CHECK BOX, he/she can review and may change the answers at any point in given time. d. Marks will be allotted to all the questions answered correctly that have been answered and reviewed by the candidate. e. Once the time gets over all the questions marked as answered and reviewed will be automatically saved and assessed. 7. Declaration : "I, hereby declare that I shall NOT use any unfair means at any stage of the examination. I shall NOT divulge the contents of this exam to any other person." At the bottom, there is a checkbox labeled 'I agree to all of the above conditions.' and a 'System Check' button. A red arrow points to the checkbox, and another red arrow points to the 'System Check' button.

Step 7 : If you agree to the instructions, click on the checkbox "I agree to all of the above conditions". Click on System Check for checking camera requirements.
