Instruction for Online Application for obtaining Transcript

1. To send the transcript to the World Education Services (WES), you must enter your seven(7) digits WES reference number while you submit your details. This reference number is mandatory for transcript application for WES. The University will send the transcript directly to the WES. No hard copy will be send to WES or student. (for any further queries please contact on helpmakautwb@gmail.com).
2. Issuance of hard copy of transcript of documents is not possible due to Covid-19 situation and until normalcy and reopening of office. National/International postal system is not functioning properly. Documents would be issued only after restoration of normalcy. Candidates applying during this period have to wait for such time.
3. You may enter the email address of the University/agency in the payment page, where you need to share a digital copy of the transcript during this lockdown period, only if accepted by the University/agency. Otherwise this is not mandatory. Single request would be entertained.
4. Please don't upload any 'X' or 'XP' GradeCards.

Step 3 :-> Fill up the form for transcripts and then click the button 'I Accept ...' at the bottom. If you choose "WES", then must write your seven digits reference number. Otherwise select "OTHER" option.
